

4th Doonbank Trofee Cyclocross

Rozelle Park, Ayr

28th January 2018

Event information guide

Welcome

Well done you! You have entered the fourth Doonbank Trofee Cyclocross in Ayr, hosted by Ayr Burners Cycling. We've prepared this guide to help you plan for and enjoy your day. We've also prepared it so that JP and Chris know what they are meant to be doing. If you see them looking dazed and confused on the day please feel free to prompt them with a cue!

What?

The 'Doonbank Trofee' is a day of cyclocross fun for all ages. We have access to a lovely scenic park just next door to the Bard's birthplace in Alloway so we hope he enjoys an early birthday present.

We have two competitions taking place:

- **Round 1 of the Super Quaich Series**, for everyone over 16
- **The Doonbank Trofee Youth Races**, for everyone age 12 to 16

Cyclocross racing is by far the bestest racing out there. Typically a winter discipline, it sees competitors charge around an off-road circuit for anything up to an hour, looking for the fastest way to face obstacles including hurdles, sand, mud and deeper mud. This should, and will, involve a bit of running.

The Trek Super Quaich

Now in its third year, the Super Quaich is a three-race series sponsored by Trek Bicycles. It's primary aim is to maximise and extend the thrill of racing throughout all ability levels. We want as many riders as possible to have a rider just ahead of them and a rider chasing them close behind. When this happens every rider gets a racing experience.

Visit www.superquaich.cx for all the relevant rules on points etc.

The Doonbank Trofee races are supported by the members, friends and supporters of Ayr Burners Cycling QTS.

Why?

Ayr Burners Cycling is Ayrshire's fastest growing cycling community. Our aims are to promote cycling opportunities across Ayrshire and encourage cyclists to visit Ayrshire.

We love cyclocross as an accessible, family friendly discipline of cycle sport, taking place in secure off-road environments, not requiring specific technical skills to participate, and allowing cyclists of all ages and abilities to ride together.

Organisers JP and Chris are also closet racing fans. JP is a regular on the cyclocross circuit best known for trying to synchronise three clashing colour schemes at once. Meanwhile Chris has been known to turn up at the occasional race to stalk Niels Albert, or to give JP 'encouraging' commentary on the colour of his brake hoods.

Ayr Burners Cycling are grateful to South Ayrshire Council for providing permission to use the popular Rozelle Park. We are excited to welcome cross fans from across Scotland to enjoy our particular local brand of mud.

When?

The Doonbank Trofee takes place on Sunday 28th January, starting at 10:00.

The programme for the day is as follows:

Time	Action	Duration	Venue
10:00	sign-on opens		HQ
10:45	Fun Run Open U12 / U10 /U8	20mins	Start
11:00	U16 / U14 sign-on closes Trek Super Quaich sign-on opens		HQ
11:15	Race Start U16 / U14	30mins	Start
11:55	Presentation – youth races		Burners' Tent
12:00	Super Quaich B race sign-on closes		HQ
12:15	Trek Super Quaich Race Start B Race	60mins	Start
13:15	Super Quaich A race sign-on closes		HQ
13:30	Trek Super Quaich Race Start A Race	60mins	Start
14:50	Presentation – Super Quaich A and B		Burners' Tent
15:00	Close		

QTS

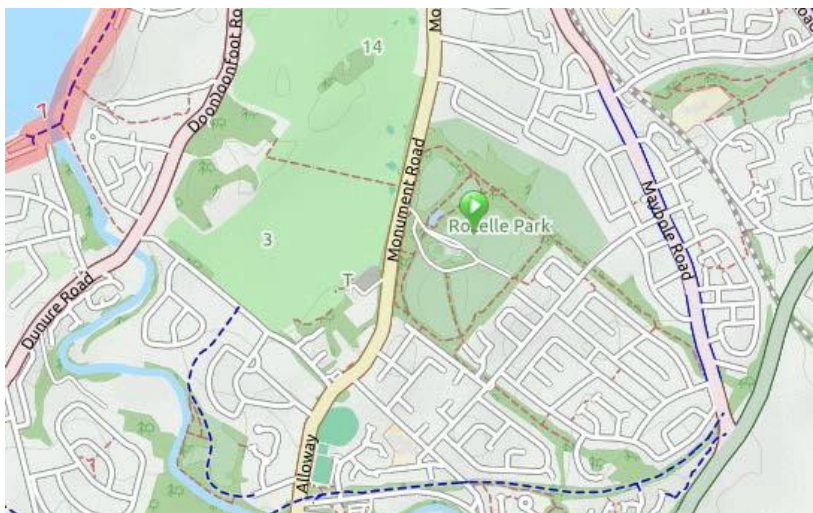

AYR BURNERS CYCLING

Where?

The Doonbank Trofee takes place at Rozelle Park in Ayr. We have access to changing facilities including showers at the venue.

Strip Address:

Rozelle Park,
Monument Road
Ayr, KA7 4NQ

Car Parking

Parking at the site is VERY limited and will be carefully marshalled. There is nearby on-street parking on 'The Loaning' (KA7 4QL) that we encourage participants to use. This will be signposted from the Southbound A77.

Car Parking Options

Rozelle Park is in a prime location close to the centre of Ayr. The park's origins come from Rum money, and the sugar plantation of [La Rochelle, Jamaica](#). It is popular with the public and dog walkers especially, so please show due care and consideration when preparing for the event. The majority of the course takes place on an old pitch-and-put course with some quality banking. The course is soft underfoot and we expect the north-east corner to chew-up substantially as the day goes on. In the main section of the park our course deliberately hugs the tree line in order to minimise the visual disturbance to the park.

Like all the best parks, Rozelle gets a bit soggy during the winter. We therefore ask riders to warm up on tarmac or the actual course itself to avoid damage to the grass elsewhere.

How?

Registering The Super Quaich events have fully sold out so no on-the-day entry will be accepted. Riders should go to race sign-on before their event to collect their number and timing chip on presentation of a valid BC membership card. The timing chips have been hired specially for the event and are expensive, so please make sure to return yours after the event.

Youth racers should register online via the British Cycling events page:

<https://www.britishcycling.org.uk/events/details/168103/4th-Doonbank-Trofee---Trek-Super-Quaich-Round-2>

Registration for youth events is ONLINE ONLY due to limited course capacity
Entry closes at 8pm on Sunday 14th January

Due to soggy ground the use of pressure washers is **STRONGLY DISCOURAGED and should be limited to hard stone / tarmac areas**

Officials

The Doonbank Trofee events are only possible thanks to the help of the following officials

Organisers	John Paul Baxter	Christopher JG	Super Quaich team
Commissaire	Tom A'Hara		
Timekeeping	Mark Young		
Sign-on	Joanne Baxter	Faye Ella	
Course Build	Gary Currie	Peter Ferrier	Gavin McKellar
	Willie Brown	Duncan MacArthur	Christopher Johnson
First Aid	EFAR Scotland	Christopher Johnson	
Marshals	Led by Gav McKellar		
Course Dismantle	Gary Currie	JohnPaul Baxter	Blair Wyllie

There will be a marshal's briefing at 10:30, led by John Paul Baxter, by the Ayr Burners' Tent. If you arrive after 10:30 please report to sign on. Please note the roles above may be subject to change and will be confirmed closer to the day.

Supporters

We are pleased to have secured some great folk along to entertain and look after our riders, spectators and officials.

SPAR Scotland are providing all podium prizes for the men's and women's Super Quaich A Race

Thanks to our sponsors **QTS** for ensuring all our officials are looked after, for event resources and ongoing support

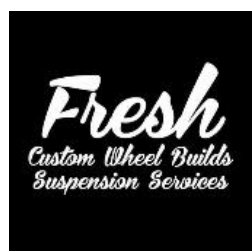

The great people from the Velo Café at Lagg, Arran, are donating refueling vouchers for the B race podium.

Super Quaich title sponsors Trek will be represented by Fast Rider Cycles. Check out their latest range of top bikes, and admire the custom tape!

TREK

More fantastic prizes from **Fresh!** Visit Chris on the day for some last minute fettling, and dig in to win your free service voucher.

Another long term supporter of the Burners, **Brown and Steele Ltd** are providing logistics support for the weekend to help build and strip the course.

Ayr Burners Cycling – QTS

Ayr Burners Cycling QTS is a local development group committed to promoting local cycling opportunities and encouraging cyclists to visit Ayrshire. Since constituting in December 2014 we have welcomed more than 150 subscribers to the group, enjoying a broad range of activities including balance bike sessions, off-road adventures, sportives, social rides, cycle jumbles and much more. Our key focus areas are Youth, Cyclocross, Sportives and Adventure.

AYR BURNERS CYCLING

QTS

We manage the development of the Ayrshire Alps Cycle Park, promoting the hill roads of Carrick as the ultimate Scottish road cycling experience.

Ayr Burners Cycling is sponsored by QTS Group. We are affiliated with CyclingUK and Scottish Cycling. Find out more at www.ayrburners.org

British Cycling Technical Regulations:

The DoonBank Trofee races are run under the regulations of British Cycling. A handpicked selection of relevant Cyclo Cross event rules from British Cycling's Technical Regulations appear below:

10. EQUIPMENT PITS

- 10.1 The equipment pit is that part of the circuit where riders can change wheels or bicycles, or receive mechanical assistance. Servicing and the changing of bicycles will only be allowed in these pits. Any rider passing the yellow flag marking the exit of the pit area must continue on the course until reaching the next pit area. The provision of equipment pits is obligatory in all races except those for under 12s and those promoted under the Go-Cross category.
- 10.2 In category C races a minimum of one and a maximum of two pit areas shall be provided. In category B races and above two single pits, or one double pit as defined in regulation 10.4, shall be provided. Equipment pits shall be judiciously located adjacent to the course, in places where speeds are not high, but not on stony or downhill stretches. They shall be free of artificial obstacles. In category B events and above the race lane and the pit lane shall be separated and distinctly marked out by tape or barriers.
- 10.3 Movement is permitted between pit areas, but at no time must a pit attendant obstruct riders while changing pit areas.
- 10.4 If, during each lap, riders pass two points sufficiently close to each other, just one pit - known as a double pit - may be set up at that point, provided that it meets the conditions set forth in article 10.2.
- 10.5 Pits shall be straight and in clearly defined areas. They should be signposted and precisely marked by yellow flags located at the beginning and the end of the separation between the race and pit lanes.
- 10.6 At the side of the pit area a zone at least 2 metres deep shall be set aside for riders' assistants and their equipment.
- 10.7 A rider may only take the pit lane with the intention of changing a bicycle or wheel, or receiving mechanical assistance. Access shall be provided for riders' assistants only on one side of the pit lane.

11. CONDUCT OF COMPETITORS

- 11.1 Where practicable, thirty minutes should be allowed before the start of events (other than those for under 12s) for on-course inspection and training by the respective riders.
- 11.2 All races shall be started by an audible signal from a point not visible to competitors. No indication shall be given to competitors of the passing of seconds immediately before the start.
- 11.3 Riders found to be causing false starts shall be penalised at the discretion of the Commissaire. The method of stopping a false start shall be defined by the start official during any pre-race instructions.
- 11.4 Riders shall start with the front wheel behind the line and with at least one foot on the ground.
- 11.5 Riders shall not receive assistance at the start, or during the event, other than under the provisions of regulation 10. The handing up of refreshment is forbidden.
- 11.6 Any rider deliberately leaving the course shall be deemed to have retired from the event.
- 11.7 No competitor shall cover any part of the course without his machine.
- 11.8 When being lapped or overtaken by a faster rider from another category, the rider being overtaken should be prepared to surrender the racing line.
- 11.9 All competitors, whilst training or racing on the course, shall wear properly affixed protective headgear which must be of a hard/soft shell construction. The responsibility for ensuring that the protective headgear is of a standard sufficient to provide adequate protection in the case of an accident whilst training or racing on the course shall lie solely with the competitor. NB: advice on helmet standards may be found in the note appended to BCF general technical regulation 8.6.
- 11.10 No member of the Federation other than those competing or officiating shall be permitted to ride on a course whilst a race is in progress.
- 11.11 The first three riders wherever practicable shall receive their awards directly after the event has finished and adjacent to the finishing area.

Have fun and see you again in 2019!
